July 2020

Dear Union #28 Community,

The Union #28 Leadership Team has been working diligently to craft our **DRAFT** Preliminary Fall Reopening Guidance document.

Accompanying this draft you will find a new survey for families to complete. This survey will continue to provide Union 28 Leadership with additional information as we begin to finalize our plans.

We invite you to come to a virtual town hall meeting and listening session with the Union 28 Leadership Team and nurses to discuss any questions and thoughts you have regarding the DRAFT plan. We are requesting that when you join you turn off the camera and microphone unless speaking to conserve bandwidth.

Leverett Town Hall and Listening Session: July 28 at 5:00pm

Shutesbury, Erving, and Swift River School Town Hall and Listening Session: July 28 at 6:00pm

Please understand the plan is **not** complete, is truly a draft and we must have some flexibility to meet the changing environment of the crisis.

Thank you.

With regards,  
Jennifer Culkeen
