Dear Erving Union #28 Community,

With the coming holidays, and possibility of multi-household family gatherings and travel, the Superintendent and Leadership Team of Union #28 has decided to move into the full day remote model upon return from the holiday break. The remote model will begin on January 4 and continue through January 15, 2021. We will return to the current phase each school is in on January 19, 2021. As always, any return to hybrid learning and in-person instruction will be dependent upon the trajectory of the virus and COVID cases at that time. As soon as we have the necessary information to make a recommendation for that transition, we will share it with the Erving Union #28 community.

Thank you for your support and flexibility during this year. We are grateful for your collaboration as we make decisions to ensure the health and safety of our students and staff.

Be well and happy holidays to all who celebrate,

Jennifer Culkeen, Superintendent
